We deliver thousands of everyday items to wherever you wish, day and night, within minutes!

Minutes matter. We are here to make your lives easier. Thanks to our constantly widening product range, we bring thousands of everyday items like baby diapers, chocolate, chips, beverages, shaving cream, detergent, deodorant, cat & dog food, batteries, and light bulbs to your location in minutes.

As Getir delivers the products you consume the most, GetirMore brings your weekly or monthly grocery shopping and GetirFood unites you with the food you are craving for, all within minutes. Also, our water brand Kuzeyden which we created just for you, is brought to you in 19 L size by GetirWater, day and night, including Sundays.

You don't need to get out of your house to satisfy your needs. You don't need to go to a convenience store, supermarket or restaurant. We are here.
