

Getir Terms and Conditions of Service

Updated Version 27 October 2022

PLEASE NOTE: THESE TERMS AND CONDITIONS OF SERVICE ("T&Cs" or "terms") ARE FOR USERS PHYSICALLY LOCATED IN ITALY ONLY. IF YOU ARE USING THE APP OUTSIDE OF ITALY, DIFFERENT TERMS AND CONDITIONS WILL APPLY BASED ON YOUR LOCATION. THE APP WILL DISPLAY THE APPLICABLE TERMS TO YOU BASED ON THE LOCATION SHARED BY YOUR DEVICE.

1. These terms

1.1 What these terms cover. These are the terms on which we supply products distributed and sold by us ("products"), to you when you place an order to purchase a product (collectively, "order") via our Getir App (the "App") whether you request the delivery of the order to the address you have provided or whether the order is placed and collected at the premises or pick-up points belonging to and/or provided by Getir (premises and pick-up points, collectively, "GStores").

1.2 Why you should read them. By placing an order on the App, you agree to be bound by these terms. Please read these terms carefully before you submit your order to us. These terms tell you who we are, how we will provide products to you, how you and we may change or end the contract, what to do if there is a problem and other information relevant to the services we make available through the App. If you think that there is a mistake in these terms or require any changes, please contact us to discuss.

1.3 Areas covered. Our App is solely for the promotion and the sales of products in the areas located within the delivery map displayed in our App ("Territory"). We do not deliver to addresses that fall outside of the Territory. If you try to place an order to an address outside the Territory, we will let you know and will not accept your order.

1.4 Click&Collect Service. There are also GStores in your Territory equipped with on-site devices (mobile phones and/or tablets and/or PCs and/or laptops, collectively "Totem") that allow you to access your App and place an order to be collected from the GStore. GStores in your Territory that offer the onsite purchase and collection service ("Click&Collect Service") are indicated in the App and will be recognisable by a special sign opening to the public and other internal and external signage that may include, among other things, opening hours, rules of conduct, etc. The operation of GStores and products available through the Click&Collect Service are subject to change, so please check their availability before placing your order. If a GStore does not display a sign indicating that it is open to the public, it means that it does not offer the Click&Collect Service

1.5 You must be aged 18 years or older to use the App. You must be aged 18 years or older to download and use the App. You must not use the App if you are under the age of 18. By using the App you represent that you are at least 18 years of age and have the legal capacity to be bound by these terms and to use the App in accordance with these T&Cs, which you fully understand and accept. *We do not sell products for purchase by children. We sell children's products for purchase by adults. For further details on orders placed by minors, see article 6.15 below.*

1.6 Age restricted products. Pursuant to the Article 14-ter of Law no. 125 of 2001, the sale of alcoholic beverages to minors is prohibited. Getir is committed to upholding both their legal and social obligations as a retailer of alcoholic beverages and other age-restricted products. In order to achieve this, we have introduced a number of control checks throughout the order and delivery process (for example, our couriers will ask for age verification if you appear to be under the age of 18) in accordance with commitment to uphold our legal and social obligations. For further details in relation to the delivery of age restricted products, please see section 6.14 below.

Alternatively, you can register with your Facebook account by following the relevant link on the registration page. You will then by activating the geolocation function, be able to browse products and select a product that you wish to purchase. You agree to: (i) keep confidential your authentication credentials for accessing the App, and prevent unauthorised third parties from accessing them; you accept responsibility for any financial consequences arising from the use of the App with your credentials by third parties; and (ii) not use the App for illegal or prohibited purposes; in particular, you will purchase products through the App for your own personal use or consumption, or the use and consumption of the persons on whose behalf you are legally authorized to act; and (iii) you will not use the App to purchase and provide minors with products prohibited to them; and (iv) you will not modify, reproduce, duplicate, copy, distribute, sell, resell or exploit for commercial or non-commercial purposes the App and the products purchased with it. You also declare that all information provided for downloading the App is true, complete and accurate. We reserve the right to deny you access to the App at any time without notice if you breach this clause 3.1 or if you breach any other terms of these T&Cs.

3.2 Basket. You can place products in a virtual shopping basket without any obligation and amend the contents of your shopping basket and your entries at all times before submitting your order by using the correction help provided and explained for this purpose in the order process.

3.3 Minimum basket values. Product orders are subject to minimum basket values which will be confirmed on the relevant page of the App. Please note that certain products may not count towards minimum basket spend. If a product is excluded from the calculation of minimum basket value we will let you know on the product page.

3.4 How to submit an order. Prior to order confirmation, you can check the details of your order, its total price, including but not limited to any possible related delivery charges and service fees (together defined as "Additional Costs") and correct any error before confirming the order information. You must verify the accuracy of the details of the order. Only after clicking the button "Order and Pay" you are submitting a binding contractual offer for the products in your virtual shopping basket.

3.5 Please check your order carefully before submitting it. Unfortunately, we do not allow you to make changes to your order once this has been submitted. If you want to make a change to your order then you will need to cancel the order (see 7 - Your rights to cancel the order) and place a new order.

3.6 How we will accept your order. When you confirm the order, payment will be taken from your account/method of payment for the product(s) and for any related Additional Costs. The order is considered accepted the moment it is received by Getir which will send a pop up message on the App for this purpose confirming that the order has been received.

3.7 If we cannot accept your order. All products and orders are subject to availability. If we are unable to accept your order, we will inform you of this and will not charge you for the product. This might be because of a payment error or because of unexpected limits on our resources which we could not reasonably plan for (e.g. we do not have sufficient couriers available at the time).

3.8 Your order number. We will assign an order number to your order and this will automatically be linked to the telephone number that is registered on your account. If you contact us about your order by telephone, our customer service team will confirm if the number that you are calling from is the same as the one registered to the account that the order was placed from. If so, our customer service team will be able to access your order number and view the order details. In the absence of proof to the contrary, the data recorded under Getir's information system shall constitute proof of all transactions concluded with you.

3.9 Vouchers and discounts. We may offer discounts and offers from time to time at our discretion. All discounts and offers are subject to availability and the specific terms of the discount or offer set out under the Promotions Page. Promotional campaigns in the App may be instantaneously organised, territorially targeted and based on a specific product or payment method. Access to promotional campaigns may be restricted based on various characteristics such as Getir account, device, credit card, email address, location and other information to

streamline usage and/or prevent multiple campaigns from being used simultaneously or cumulatively. We reserve the right to amend or terminate any discount or offer, in compliance with the specific terms set out under the Promotions Page (but this will not affect any orders that we have already accepted). The promotion campaign is subject to the special terms and conditions available [here](#).

3.10 The inclusion of links to third party sites does not imply that we promote, guarantee, recommend or endorse these sites. These links are used only as informational references, without any assessment of the content, owners, services or products offered therein.

4. Products

4.1 Products may vary slightly from their pictures. The images of the products on our App are for illustrative purposes only. Although we have made every effort to display the colours accurately, we cannot guarantee that a device's display of the colours accurately reflects the colour of the products. Your product may vary slightly from those images.

4.2 Product packaging may vary. The packaging of the product may vary from that shown in images on our App. Actual product packaging and materials may contain more and/or different information than that shown on our App. All information about the products on our App is provided for information purposes only. We recommend that you do not solely rely on the information presented on our App. Please always read the labels, warnings, and directions provided with the product before using or consuming a product. In the event of any safety concerns or for any other information about a product please carefully read any instructions provided on the label or packaging and contact the manufacturer.

4.3 Allergens. Nuts or other allergens might be included in a food product. We will endeavour to display the allergen information of each food product. Where that information is not readily available or if you have any further questions or to notify us of any allergies that you may have please contact us via our contact details set out at section 2.2 above prior to ordering. We cannot guarantee that any of the products sold by us are free of allergens.

5. Our rights to make changes

5.1 Changes to these terms. We may amend these terms from time to time, for justified reasons such as the evolution of our services, legal or regulatory requirements as well as for technical evolutions and business needs. The terms applicable to your order are the terms in effect on the date of your order confirmation. The amended terms will apply to orders placed subsequently. Please print or save these terms for your records for future reference. In case of changes to these terms, you may contact us to request a copy of the terms in effect at the time of a particular order placed by you.

5.2 Minor changes to the products. We may change the product:

- (a) to reflect changes in relevant laws and regulatory requirements; and
- (b) to implement minor technical adjustments and improvements, for example to address a security threat. These changes will not affect your use of the product.

5.3 More significant changes to the products and these terms during an order. In addition, as we informed you in the description of the product on our App, we may make the following changes to these terms or the product, but if we do so we will notify you in advance and you may cancel your order/terminate your contract before the changes take effect:

- (a) changes to these terms for justified reasons which are not minor;
- (b) changes to the payment methods; and
- (c) changes to the terms and conditions in relation to new product and service offerings.

6. Providing the products

6.1 Additional costs. Any applicable Additional Costs will be expressly specified and displayed to you on our App prior to submitting an order.

6.2 When we will provide the products. During the order process, we will do our best to reach you at the address you have indicated within two hours at the latest. For each order, we will let you know of our estimated delivery time during the order process. Once we receive your order, you can check the App for live updates on the progress of your order, including the estimated time of arrival. If the order has been placed in the GStore using the Totem, our staff will prepare the order in real time (notwithstanding the possible waiting time due to contingent situations such as, for example, the momentary lack of free staff), which will be delivered to you after verifying that

the order and the relative payment have been successfully completed and that the access session to the App through the Totem has been correctly concluded. It is understood that you are solely responsible for the safekeeping and preservation of your App access credentials.

6.3 We are not responsible for delays outside our control. If our supply of the products is delayed by an event outside our control that could have not been foreseen (this could be due to problems with weather, traffic or an accident, for example) then the estimated time of arrival displayed within the App will update in real time. We will take steps to minimise the effect of any delay. Provided we do this we will not be liable for delays caused by such event. In addition to what provided in section 6.5, if there is a risk of substantial delay you may contact us to cancel the order and receive a refund for any products you have paid for but not received.

6.4 If you are not at home when the product is delivered. If no one is available at your address to take delivery and the products cannot be posted through your letterbox or safely left at the address, we will cancel your order and refund you in accordance with section 9.2.

6.5 Your rights if we deliver products outside the stated delivery time. Unfortunately, despite our best efforts, things do not always go to plan and factors outside our control that could have not been foreseen, such as weather and traffic conditions may delay us from delivering your items on time. You can track the progress of your order (including estimated delivery times on the App). If your order is more than two hours late, you have the option to cancel your order, provided that you have not caused the delay (for example, because you gave us the wrong address or did not come to the door).

6.6 Cancelling the order for late delivery. In case of late delivery under lause 6.5, you can cancel your order for any of the goods or reject goods that have been delivered. If you wish, you can reject or cancel the order for some of those goods (not all of them), unless splitting them up would not be possibleand/or significantly reduce their value or changes their intended use. After that, we will refund any sums you have paid to us for the cancelled goods and their Additional Costs. If the goods have been delivered to you, you will be responsible for returning the goods to us.

6.7 When you become responsible for the products. A product which is goods will be your responsibility from the time you or someone you authorized to receive the product to the address you gave us.

6.8 When you own the products. The ownership of the products will be transferred to you upon delivery.

6.9 What will happen if you do not give required information to us. We may need certain information from you so that we can supply the products to you, for example, directions where we are unable to locate your address. We will contact you to ask for this information if we need it. If you do not give us this information within a reasonable time of us asking for it, or if you give us incomplete or incorrect information, we may cancel the order (and se 9.2 will apply). We will not be responsible for supplying the products late or not supplying any part of them if this is caused by you not giving us the information we need within a reasonable time of us asking for it.

6.10 Reasons we may suspend the supply of products to you. We may have to suspend the supply of a product already purchased to:

- (a) deal with technical problems or make minor technical changes;
- (b) update the product to reflect changes in relevant laws and regulatory requirements;
- (c) make changes to the product as notified by us to you (see lause 5).

In such cases we will immediately inform you.

6.11 We will not supply the products if you do not pay. If you do not pay us for the products when you are supposed to (see se 11.3) then we will not supply the products until you have paid us the outstanding amounts. We will contact you to tell you that your payment has not completed and that we will not be supplying the products. We reserve the right to cancel your order and you will still be charged for the relevant Additional Costs.

6.12 Delivery to public and work places. If we deliver to a public or work place then we require you to be present to collect your order. If you are not present, then we reserve the right to cancel your order and you will still be charged for the relevant Additional Costs.

6.13 Delivery to GStores. In the case of collection in GStores, our staff may ask you to show a valid document (also in accordance with Articles 6.14 and 6.15 below) and/or an order number and/or notification of order availability in order to identify the person authorised to collect the order. Your presence is required to collect the order. If you either refuse to identify yourself or refuse to comply with the rules of the GStore (duly indicated and made visible), we reserve the right to cancel your order and you will still be charged the relevant Additional Costs and/or handling fees applied by the GStore. Inside the GStore, you are obliged to follow all the instructions indicated on the signs, indicated by our staff and the rules of common respect and good manners.

6.14 Delivery of age restricted products. These products can include but are not limited to alcoholic beverages. By placing an order for an age-restricted product, you confirm that you are at least 18 years old. You or someone aged 18 or over must be available to receive and inspect the delivery of any age-restricted products. Under no circumstances will goods be left unattended. We reserve the right to carry out ID checks as appropriate, depending on the specific circumstances. For example, our couriers apply may request proof of age if the person receiving products looks under 18 years old. We will accept only official and valid identification document with photo such as a passport and/or a driving licence as proof of age. We may retain the goods if proof of age or an alternative adult is not available. We will not sell or deliver alcohol to anyone who is, or appears to be, under the age of 18. By placing an order you confirm that you are at least 18 years old and we reserve the right not to deliver if we are unsure of this. We also reserve the right to refuse an order for age-restricted products on any grounds including the requested delivery location. We may also refuse to deliver alcohol to any person who is, or appears to be under the influence of either alcohol or drugs or in a state of confusion or impaired cognition from any cause. If delivery of an age-restricted product is refused, we will refund any money you have paid in advance for such products but we may deduct or charge you reasonable compensation for the actual costs we will incur such as the Additional Costs.

6.15 Further checks. We reserve the right, where necessary, to undertake all such action as is reasonable to protect ourselves against fraudulent or invalid orders including, without limitation, to require further verification as to your identity, age, and other relevant details. Where we suspect any fraudulent activity or any breach of our terms by you, we may cancel your order and you will still be charged for the relevant Additional Costs.

7. Your rights to cancel the order

7.1 When you can cancel your orders. Your rights when you cancel the order will depend on what you have bought, whether there is anything wrong with it, how we are performing and when you decide to cancel the order:

- (a) If what you have bought is faulty or misdescribed you may have a legal right to cancel the order (or to get the product repaired or replaced or a service re-performed or to get some or all of your money back), see 10;
- (b) If you want to cancel the order because of something we have done or have told you we are going to do, see 7.2;
- (c) If you have just changed your mind about the product, see 7.3. You may be able to get a refund if you are within the cooling-off period, but this may be subject to deductions;
- (d) In cases set forth in articles 6.6 and 7.6.

7.2 Cancelling the order because of something we have done or are going to do. If you are cancelling the order for a reason set out at (a) to (e) below the relevant order will be cancelled immediately and we will refund you in full for any products which have not been provided. The reasons are:

- (a) we have told you about an upcoming change to the product or these terms which you do not agree to (see 5.3);
- (b) we have told you about an error in the price or description of the product you have ordered and you do not wish to proceed;
- (c) there is a risk that supply of the products may be significantly delayed because of events outside our control;
- (d) we have suspended supply of the products for technical reasons, or notify you we are going to suspend them for technical reasons; or
- (e) you have a legal right to cancel the order because of something we have done wrong.

7.3 Exercising your right to change your mind (Withdrawal Right Art. 52 of Italian Consumer Code). You have a legal right to change your mind within 14 days and receive a refund without giving any reason. These rights are explained in more detail in these terms. Please note that the majority of the products on our App are perishable items and the right to change your mind under the Italian law does not apply to perishable items. Please see section 7.4 below for further information on what products the right to change your mind does not apply to.

7.4 When you do not have the right to change your mind. You do not have a right to change your mind in respect of:

- (a) perishable items such as grocery and food products that are liable to deteriorate or expire quickly;
- (b) products sealed for health protection or hygiene purposes, once these have been unsealed after you receive them; and
- (c) any products which become mixed inseparably with other items after their delivery.

7.5 How long you have to exercise your right to change your mind. If there is a right to change your mind, the deadline by which the order must be cancelled depends on the products that have been ordered and the method of delivery. The order must normally be cancelled within 14 days after you (or the person authorized by you) receive the goods.

7.6 Cancelling the order where we are not at fault and there is no right to change your mind. Even if we are not at fault and you do not have a right to change your mind (as per 7.4), you can cancel the order before it is completed, but you may still have to pay for the costs we will incur as a result of cancelling the order and we have the right to charge you with the full amount of the price of the items. A contract for goods is completed when the product is delivered and paid for. In such cases, just contact us to let us know.

7.7 Tell us you want to cancel the order. To cancel the order with us, please let us know by doing one of the following:

(a) Phone or email. Call customer services on [+39 02 8294 0654](tel:+390282940654) or email us at ciao@getir.com. Please provide your name, home address, details of the order and, where available, your phone number and email address.

(b) By post. Print off the [form](#) (Annex 1) and post it to us at the address on the form. Or simply write to us at that address, including details of what you bought, when you ordered or received it and your name and address.

7.8 Returning products after cancelling the order. If you cancel the order for any reason after products have been dispatched to you or you have received them, you are responsible for returning them to us. Please call customer services on [+39 02 8294 0654](tel:+390282940654) or email us at ciao@getir.com to arrange collection. Where you have purchased non-perishable goods and you are exercising your right to change your mind (where this is applicable), you must allow us to collect or post the goods to us at Via Cino del Duca 5, 20122 Milano, Italy within 14 days of you telling us you wish to end the contract. We ask that items are returned to us with their original packaging and with any tags intact. In the case of items which include a hygiene or security seal, we ask that you exercise reasonable care by not removing the seals while examining the goods, unless you are certain that you intend to keep the goods. In the event that any seals or tags are removed or tampered with, we shall not permit that item to be returned nor shall we refund the cost of this item (including the Additional Costs) to you.

7.9 Returns. You are responsible for posting us the goods that you wish to return to us in accordance with these terms or if you ask us to collect the goods from you, you will be responsible to pay delivery fee. However, this does not extend to perishable goods, unless these goods are faulty, in which case you have the option to return them to us.

7.10 How we will refund you. Refunds will be made based on the method you used for payment. However, we may make deductions from the price, as described below.

7.11 Deductions from refunds if you are exercising your right to change your mind in relation to non-perishable goods (where this is applicable). If you are exercising your right to change your mind (where this is applicable):

(a) We may reduce your refund of the price (excluding the Additional Costs) to reflect any reduction in the value of the goods, if this has been caused by your handling them in a way which would not be permitted in a shop. If we refund you the price paid before we are able to inspect the goods and later discover you have handled them in an unacceptable way, you must pay us an appropriate amount.

(b) The refund of the Additional Costs will be the total amount of the additional costs paid when placing your order in relation to non-perishable goods on which you exercised the right to change your mind. It remains understood that, if the Additional Costs due at the time the order was generated, net of the return of the products on which the right to change your mind was exercised, would have been greater than those actually paid by you, we shall be entitled to withhold from the refund the difference between the Additional Costs actually paid and the Additional Costs due.

7.12 When your refund will be made. We will make any refunds due to you as soon as possible. If you are exercising your right to change your mind then your refund will be made within 14 days of your telling us you have changed your mind.

8. Our rights to cancel your order.

8.1 We may cancel the order if you breach the contract. We may cancel your order/end the contract for a product at any time by writing to you if:

(a) you do not make any payment to us when it is due;

(b) you do not meet our requirements as set out in section 6.14 above;

(c) we suspect fraudulent activity, misuse or where you are in breach of sections 1, 3, 6 and 7 our terms and conditions (as well as specific terms of any promotions therein indicated);

(d) you do not, within a reasonable time of us asking for it, provide us with information that is necessary for us to provide the products, for example, your delivery address; or

(e) you do not, within a reasonable time, allow us to deliver the products to you.

8.2 You must compensate us if you breach the contract. If we cancel the order in the situations set out in e 9.1 or elsewhere in the terms we will refund any money you have paid in advance for products we have not provided but we may deduct or charge you the actual costs we will incur as a result of your breaking the contract, such as the Additional Costs.

9. If there is a problem with the product

9.1 How to tell us about problems. If you have any questions or complaints about the product, please contact us. You can telephone our customer service team at [+39 02 8294 0654](tel:+390282940654) or write to us at ciao@getir.com.

9.2 Summary of your rights in respect to the legal warranty. We are under a legal duty to supply products that are in conformity with this contract and regulations in force in Italy. Nothing in these terms will affect your legal rights. The products supplied by us benefit (where provided for by the relevant applicable law) by right and without additional payment, independently of the right of withdrawal and in accordance with the legal provisions of (i) the legal warranty of conformity, for apparently defective or damaged products or not corresponding to the order, and (ii) the legal warranty against hidden defects resulting from a defect in material, design or manufacture affecting the products delivered and making them unfit for use. We remind you that under the legal warranty of conformity:

(a) we are responsible for a period of two years from the delivery of the goods to act, provided you have notified us within two months from the day you have become aware, unless we have recognized the defects;

(b) you may choose between the repair or replacement of the ordered product, subject to the conditions of cost provided by Article 130 of Italian Consumer Code; and

(c) you are exempted from proving the existence of the lack of conformity of the product during the six months following the delivery of the product, unless this is not compatible with the nature of the product or of the defect or differently proved.

In addition, the legal warranty of conformity applies independently from any commercial warranty that may cover the product. You may also decide to implement the warranty against hidden defects in the accordance with article 1490 of the Italian Civil Code. In this case, you can choose between the cancellation of the sale or a reduction of the sale price in accordance with article 1492 of the Italian Civil Code.

9.3 Limits to the legal warranty. This warranty is, in any case, limited to the replacement or reimbursement of products that do not conform or are affected by a defect. Our responsibility shall not be engaged in the case of misuse, use for professional purposes, negligence or lack of maintenance by you, as well as in case of normal wear and tear of the product, accident or force majeure.

9.4 Your obligation to return rejected products. If you wish to exercise your legal rights to reject products you must allow us to collect them from you. Please call customer services on [+39 02 8294 0654](tel:+390282940654) or email us at ciao@getir.com to arrange collection.

9.5 Our obligations in case of return of products. We will refund, replace or repair the products or parts under warranty deemed non-conforming or defective. Refunds for products found to be non-conforming or defective will be made as soon as possible and at the latest within 30 days following our finding of the non-conformity or hidden defect. The refund will be made by the method you used for payment or by crediting your bank account.

10. Price and payment

10.1 Product prices. The price of the product are in euros (EUR) and includes VAT and delivery costs unless otherwise indicated. This will correspond to the price indicated on the order pages when you placed your order. We take all reasonable care to ensure that the price of the product advised to you is correct. However please see 11.2 for what happens if we discover an error in the price of the product you order.

10.2 If we got the price wrong. It is always possible that, despite our best efforts, some of the products we sell may be incorrectly priced. We will normally check prices before accepting your order so that, where the product's correct price at your order date is less than our stated price at your order date, we will charge the lower amount.

10.3 When you must pay and how you must pay. We accept payment with MasterCard, Visa and American Express as well as the payment methods indicated in the App or in the GStore. We will charge your credit or debit card when your order is placed.

10.4 What to do if you think you have been charged an incorrect amount. If you think you have been charged an incorrect amount by us, then please contact us promptly to let us know.

10.5 You may pay a tip to your courier. Tipping is non-compulsory and purely voluntary and is charged in addition to the amount due for the order. You will have the option to select one of the tip amounts, in addition to the price of the order. The tip selected by you will in its entirety be paid to the courier whom you wish to tip, subject to any withholdings that we are required to make for tax purposes. By clicking "Send" button after selecting or inserting the tip amount, you agree to (i) tip the courier at the selected amount and (ii) for us to charge you for the selected amount from the payment method used in the relevant order. A tip payment cannot be cancelled after delivery; upon clicking "Send" button we will collect the entire tip amount and will not be able to refund the tip thereafter.

10.6 You may pay a tip in the Gstore. Click&Collect service may allow you tipping on purely voluntary basis and is charged in addition to the amount due for the order.
